Strategies for identifying and purchasing cool new technology

I WANT ONE!

Strategies for identifying and purchasing cool new technology

B. Bigfoot isn't a hoax, he's hiding in your backyard

If you've never personally spotted Bigfoot, perhaps it's just because he's been hiding behind the nearest tree! Highly detailed in quality designer resin and painstakingly hand-painted to make passers-by look twice. 15"H x 15"W x 12"D; 8 lbs.

A COORDINATED APPROACH

How are needs identified and documented?

How are stakeholders identified?

Can funding and procurements be coordinated?

PROJECT INITIATION FORM (PIF)

Common format for project information

- ID number (data referenced)
 - Title
 - Author
 - Date
 - Project Description
 - Purpose and Benefit
 - Stakeholders
 - Scope and duration/
schedule
 - Cost Estimates
-
- Opportunity to coordinate during regular engineering reviews

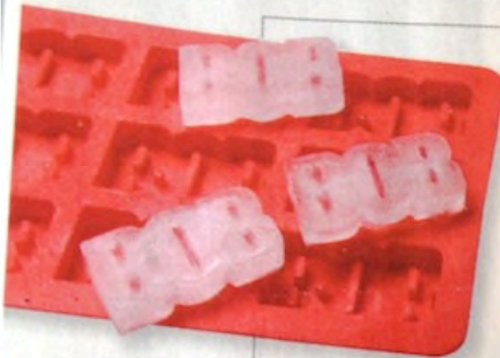

COMMON REPOSITORY FOR PIFS

Suggest IRIS HQ (IS)
host a common site/DB

•Sort by themes

- Sensor
- DAS
- Power
- Comms
- Test equipment
- Installation support

CL1103A \$39.95

BOB ICE CUBE TRAY

Even if your name's not Bob, your ice cubes "bob" in your drink. And if your name is Bob? Woah. Personalized ice cubes bobbing in your drink. Silicone tray measures 5¾"H x 9½"W. Makes 9 cubes, 1¼"H x 2½"W each. Dishwasher safe.

CG7556A \$9.95 each

BUY 2 OR MORE \$7.95 each

PLANNING FOR STRATEGIC PROCUREMENTS

Bulk purchasing can help drive market

- Next Gen DAS
 - EOL impacts everyone
- Next Gen sensors
 - Small market share issues
- Telemetry Development
 - Iridium comms
- Others?

- Important to coordinate long-term requirements and specifications to optimize development dollars

- Bulk procurements (IDIQ)

- Ad Doc Instrumentation Committee
