

October 2020

Distributed Acoustic Sensing Research Coordination Network Steering Committee Call
October 8, 2020 10 am ET

In attendance: Herb Wang, Bob Woodward, Dante Fratta, Eileen Martin, Matt Becker, Rachel Hatch-Ibarra, Whitney Trainor-Guitton, Julia Correa, Lucas Zoet, Kasey Aderhold, Jonathan Ajo-Franklin, Jerry Carter

Agenda

- Announcements
- Working Groups – Status and Future Activities
 - Monthly(-ish) webinar on DAS topics - have each working group contribute a speaker to this series
 - Review working group activities
- AGU 2020 DAS Workshop planning (Wang)
- Field Course Workshop planning (Aderhold)
- Additional Items
 - Switch to Zoom for next meeting, open attendance up but keep active participation to steering committee and working group leads

Action Items

- AI(Herb/Kasey): Decide on day/time for monthly(ish) DAS webinar. Send out schedule for the webinar to DAS mailing list.
- AI(Kasey): Include NSF award # and NSF logo on DAS RCN web page.

Recommendations

- Encourage working group leads to send an update via email to be included in the meeting if not able to attend the call.
