January 13, 2022 11 am ET

In attendance: Herb Wang, Scott Tyler, Bob Woodward, Jerry Carter, Andreas Wuestefeld, Whitney Trainor-Guitton, Matt Becker, Nate Lindsey, Jonathan Ajo-Franklin, Yingping Li, Robert Mellors, Eileen Martin, Kasey Aderhold, Zhongwen Zhan, Brad Lipovsky, Danica Roth, Dante Fratta

Agenda

- Announcements and Updates
 - 2021 AGU Workshop Debrief (Scott)
 - 2022 Field Course Planning (Kasey)
 - AGU DAS Monograph (Yingping)
 - DAS RCN Webinar Scheduling (Kasey)
- DAS RCN Mid-Term Review and Reboot (Herb, Scott, Bob, Kasey)
 - Accomplishments
 - Priorities
 - Logistics/Mechanics Going Forward
 - Working Groups
 - Steering Committee Meetings (Purpose, Audience, Frequency)
 - 2022 and 2023 RCN Events

Action Items

- AI(Scott/Danica): Work on draft survey questions to send out to the DAS community for identifying needs, e.g. instrumentation, training, data, from a future DAS facility/facilities.

Recommendations

- Organize monthly meetings that are open to the DAS community with usual agenda to status events and other efforts, but with the inclusion of key discussion topics.
- Hold quarterly meetings of the DAS RCN steering committee to monitor progress towards RCN goals.
